Giving the living a chance at life

Maintenance, Gardening and Driver Volunteer

Volunteers are a part of the beating heart of our charity and without your help we would not be able to continue to assist all the animals we support. As a maintenance and driver volunteer your general responsibilities will be to:

- Help carrying out maintenance or gardening identified by staff at our animal rescue centre and occasionally at our charity shops.
- Identify and repair any smaller issues that need to be solved at our facilities.
- Provide assistance in preparation for on site events, e.g. Erection and dismantling of marquees.
- Assist with garden maintenance.
- Help our driver with picking up difficult or large donation items or utilize our charity vans to pick up donations on your own.

As a volunteer you must:

- Provide us times that you are available to volunteer weekly or monthly and always be on time - it is important to us that you are available at the same time slots continuously.
- Abide by our confidentiality and health and safety policies.

If you are interested volunteering with us, please fill out an application form which can be found on our website: crrc.co.uk.
